RE: CHAFFIN, Kristy Farrar

OFFENSE: False Statement During Firearm Purchase, in violation of Title 18, USC § 924(a)(1)(A).

SENTENCE: Six (6) months imprisonment to be followed by a 2-year term of supervised release.

SPECIAL CONDITIONS: 1) The defendant shall participate in a program approved by the U.S. Probation Office for substance abuse, which program may include residential treatment and testing to determine whether the defendant has reverted to the use of drugs or alcohol, with partial costs to be paid by the defendant, all as directed by the Probation Officer. The defendant shall waive all rights of confidentiality regarding substance abuse treatment to allow the release of information to the United States Probation Office and authorize communication between the probation officer and the substance abuse treatment provider; 2) The defendant shall participate in a program approved by the United States Probation Office for a mental health treatment which shall include the taking of medication which is prescribed by her mental health treatment provider. The cost of this program is to be paid by the defendant as directed by the probation officer. The defendant shall waive all rights of confidentiality regarding mental health treatment to allow the release of information to the United States Probation Office and authorize communication between the probation officer and the treatment provider. In addition, the defendant was ordered to pay a \$100 special assessment fee.

ADJUSTMENT TO SUPERVISION: Ms. Chaffin's term of supervised release commenced on June 29, 2018. She is currently employed by TWF Construction as a house cleaner. At the onset of supervision, Ms. Chaffin was referred to Rappahannock Area Community Service Board (RACSB) for mental health and substance treatment. She completed treatment at RACSB in June 2019. The defendant's adjustment to supervision was satisfactory until two recent positive drug tests.

VIOLATION: The following violations are submitted for the Court's consideration:

CONDITION 7: USE OF FENTANYL.

On July 17, 2019 and August 14, 2019, Ms. Chaffin submitted urine specimens which tested positive for Fentanyl. This officer confronted the defendant about the positive tests and she denied using Fentanyl. Both specimens were sent to Alere Toxicology Services and confirmed positive for Fentanyl. Additionally, staff at Alere confirmed that the positive tests were not the result of medication that had been administered to Ms. Chaffin.
